

INSTRUCTOR DEVELOPMENT WORKSHOP (IDW) Become a **Refuse To Be A Victim**® Certified Instructor

Safety experts agree the single most important step toward ensuring personal safety is making the conscious decision to **Refuse To Be A Victim**®. Citizens stand a much better chance of preventing criminal attack if they develop a safety plan before they need it. The **Refuse To Be A Victim**® Instructor Development Workshop (IDW) will certify instructors who will then be able to teach community members *crime prevention* and effective *personal safety strategies*.

The IDW will teach participants how to successfully conduct a **Refuse To Be A Victim**® seminar for the public in order to help them to become proactive about their own personal safety. The Psychology of the Criminals
